NOTICE TO PERSONS WANTING MAIL-IN BALLOTS

Residents of Farmingdale Borough, Holmdel Township, Marlboro Township, Tinton Falls Borough, Shrewsbury Township, Upper Freehold Regional School District, Allentown Borough, Upper Freehold Township

If you are a qualified and registered voter of the State who wants to vote by mail in the special school election to be held on September 26, 2017 complete the application form below and send to the County Clerk, or write or apply in person to the County Clerk at once requesting that a mail-in ballot be forwarded to you. The request must state your home address and the address to which the ballot should be sent. The request must be dated and signed with your signature. If any person has assisted you to complete the mail-in ballot application, the name, address and signature of the assistor must be provided on the application, and you must sign and date the application for it to be valid and processed. No person shall serve as an authorized messenger or as a bearer for more than three qualified voters in an election. No person who is a candidate in the election for which the voter requests a mail-in ballot may provide any assistance in the completion of the ballot or may serve as an authorized messenger or bearer. No mail-in ballot will be provided to any applicant who submits a request therefor by mail unless the request is received at least seven days before the election and contains the requested information. A voter may, however, request an application in person from the County Clerk up to 3 p.m. of the day before the election. Voters who want to vote only by mail in all future general elections in which they are eligible to vote, and who state that on their application shall, after their initial request and without further action on their part, be provided a mail-in ballot by the County Clerk until the voter requests that the voter no longer be sent such a ballot. A voter's failure to vote in the fourth general election following the general election at which the voter last voted may result in the suspension of that voter's ability to receive a mail-in ballot for all future general elections unless a new application is completed and filed with the County Clerk. Voters also have the option of indicating on their mail-in ballot applications that they would prefer to receive mail-in ballots for each election that takes place during the remainder of this calendar year. Voters who exercise this option will be furnished with mail-in ballots for each election that takes place during the remainder of this calendar year, without further

action on their part. Application forms may be obtained by applying to the County Clerk either in writing or by telephone, or the application form provided below may be completed and forwarded to the County Clerk. Dated: August 1, 2017.
